What is DVG?

The initials DVG stand for Deutscher Verband der Gebrauchshundsportvereine, or the German Association of Working Dog Sport Clubs.

This is not an exact translation, but one that is most meaningful in English. While attracting breeders of all working dogs, DVG exists for only one purpose - the training and titling of dogs of all kinds. In addition to IPO titles, DVG offers Obedience and Tracking titles, providing competition opportunities for all people who love to train dogs, even the smallest of breeds.

A MESSAGE FROM YOUR LV PRESIDENT

Annetta Cheek

The 35th annual DVG nationals are behind us. The SE KG did a great job hosting it and both of our German judges enjoyed judging for us. They particularly liked the Florida weather. Seeing a baby alligator on the protection field was an experience they certainly could not have had at home. Surely if they had scored him he would have gotten pronounced.

The annual business meeting is coming up in Hemer, Germany, in late March. If anyone has any concerns they want me to share with the DVG Board, please write to me at dvgamericaprez@fastmail.com. I will be expressing our opinion that stick hits should not be eliminated from the sport! Remember, when you get your membership cards from Germany, the packet will include your delegate card. Club presidents, please send your signed card to your KG President right away so you don't forget.

Recently, the clubs approved the changes to our disciplinary and grievance bylaw provisions. The old provisions did not have enough details and were not flexible. We took the advice of a parliamentarian and eliminated the detail from the bylaws, retaining only a provision authorizing the Board to establish procedures. You can read the new provision (Article IX) at http://www.dvg-america.com/bylaws_1_17.pdf. To replace the details in the previous bylaws, we've developed procedures to go in the administrative portion of the LV Handbook, currently under development. The Board has approved these procedures and they are on line at <http://www.dvg-america.com/grievanceprocess.html>. We will take comments on them for about the next 45 days. These

are very important provisions, so please take a look at them and if you have any ideas about improving them let me know. If we get some good suggestions we will add them and take another Board vote on the document.

In the next few days the clubs will get a ballot to vote on more amendments to the bylaws. Two articles are affected: **Club year, voting, nominations, and elections** and **Amendments to the bylaws**. The proposed language will make two major changes. First, they will make it possible for us to use electronic voting methods. Right now, although the Board can send out issues to be voted on using email, the clubs must send them back through the US mail. We want to be able to use a secure on-line voting system that will speed the process, save the clubs postage, and make it easier for clubs to cast a ballot. If the provision passes, this will be the last time you will have to send back a ballot using US Post mail. Secondly, they will eliminate provisions that allowed us to hold important votes at the annual General Membership Meeting. The Board believes that all clubs should be able to participate in all important votes, not just the clubs represented at the annual meeting. When you get the ballot, please send in your vote to the LV Secretary. The ballot will include more information, and you can read the details of the changes here: <http://www.dvg-america.com/votematerial.html>. And if you have questions, please email me.

I hope you all have a successful and healthy year in the sport.

WELL, ANOTHER DVG Championship is in the record books.

The Southeast KG, along with the Central Florida Police and Working Dog Club, were the hosts and Groveland, FL was the place to be the first weekend of November. Perfect Florida weather greeted visitors from near and far and all of the KGs represented with competitors. If you weren't here, you missed some of the best food ever offered at a dog event...with the south's own Rich Sargeant providing the menu... fresh salad greens topped the freshly prepared ingredients and if you left hungry, well, that was your own fault! The members of Peace River Schutzhund Club played supporting staff to the chef's food and worked hard all weekend keeping everyone fed well. The event gear was popular and some items sold out quickly. The catalog was well received and provided readers with a brief bio of the participants, along with a photo of them and/or their dog. A huge raffle and silent auction table was a popular stop for the competitors and

spectators alike. Vendors set up their wares and shopping was fun and plentiful! The draw was held on Thursday at a luncheon and the competitors found out what flights they would be in and enjoyed the first "official" meet and greet opportunity.

Friday morning, two flights of IPO 3 teams tracked, and everyone else relaxed (or stressed) waiting for the evening start at the stadium. Spectators were in abundance on Friday night as the IPO 1s took the field. Unfortunately, the stands weren't nearly as well filled Saturday and Sunday, which was a little surprising. Usually the Saturday and Sunday performances have the bigger audience. Some of those IPO 1 performances left no doubt they would one day be a force to be reckoned with at the higher levels!

A fine obedience routine was shown by Sue Boyle and her Malinois, Boyka ot Vitosha, the only "V" rated obedience for the night. The high protection performance for the night was Prentice Kidd with his Malinois, Achilles Bashir Candu Ciel Kidd, who also

finished first over all, with Sue and Boyka placing second. In third after all phases was Ruth Gimple with her Malinois, Cadance ot Vitosha. And, in keeping with the "Florida" theme, between obedience and protection, there was a "special late entry"... an alligator decided to join the fun and had to be removed from the field. Luckily, it was small and had a "good temperament".

Saturday morning saw two flights of IPO 3s take the stadium field, while the third flight showed off their training at the tracking fields. High protection for the day (and overall) was shown by a crowd favorite, Bryan Hendricks and his American Bulldog, Old Glory's Awful Pain (Dave) with a 98 point routine! The high obedience routine for the threes was a tie between Jaqueline Zinetti with GSD Brando vom Ortenberg and Kelley Wells with Malinois Spoilenhaus' Ekim, each with 93 points.

After the obedience and protection phases were complete for the 3s, the IPO 2s took the field for obedience. Again, we saw Prentice Kidd and his Malinois Aaliyah du

Prentice Kidd, 1st place IPO 1

Chris Daugaard, 2nd - IPO 2

Prentice Kidd, 1st - IPO 2

Kelley Wells, 3rd - IPO 3

Soleil Rouge show very nice routines for a place on the podium.

Sunday, the final flight of IPO 3s started in the stadium, while the 1s and 2s went tracking. It was no surprise that high tracking in the flight belonged to Prentice Kidd with Achilles, who put up a perfect 100 points. Close behind was Ruth Gimple with a very impressive 98. The high protection score of the day belonged to Sandra Rushing and her Malinois Njag van de Verpihoeve, with 97 points. Unfortunately, her tracking score wasn't sufficient, so the score didn't count for placement or trophy.

The final routine of the day turned out to be very fortunate for the SEKG's own Chris Meverden and GSD Danger von Juliet. The final score of $93-97-96=286$ put all doubts aside as to who would sit on top of the podium this year. Second place was Rukmalie Jayakody with Dutch Shepherd Vrijheid's Nemesis, and rounding off the top three was Kelley Wells and Malinois Spoilenhaus' Ekim. That's what DVG America is about...three different breeds sitting on the podium!

Chris Meverden, 1st - IPO 3, High in Trial, High IPO 3 OB, SEKG Champion

Bryan Hendricks, High IPO 3 Protection

We must thank our judges, Wolfgang Pahl; tracking, Norbert Bösche; obedience and Ted Hartman; protection. They were fair and consistent and extremely helpful with supportive and encouraging critiques! Our helpers, Guy Ventura, Mark Torrence and Louis Rodriquez, some of the finest this country has to offer, were safe and consistent throughout and demonstrated a true test of the dogs. Trial chairman Hartmut Beckmann was his usual efficient self, also helping with translating when some English terms escaped the German judges.

To Kathy Foster, who took on the thankless job of trial secretary, Jessie Sharp who handled a million assorted things, Emie Frank, design and tee shirt sales and handling the money end of the event, Melissa Hepler who headed up the amazing raffle and vendors and was also showing her young dog. Amanda Hoskinson, for securing the host hotel, venue and tracking fields and providing a practice field, Shelly Timmerman for the website and catalog, Chris Daugaard for the competitor bags and tracking stakes and showing her GSD, and everyone else who volunteered; the groupies, the gun shooter, the field coordinator, the dozens of folks who are necessary, doing their part to put on an event like this.. Coast Schutzhund Club March 2016 Trial

On a beautiful southern California weekend Coast Schutzhund Club hosted another great club trial with DVG Judge & LRO Hartmut Beckmann, assisted by our newest apprentice Jani Turkia.

We had 24 entries this time around, 2 pulled and one handler crashed his motorcycle days before the event still leaving us with 20 teams for the weekend. Ted Hartman our Club President & T.D. had everything set up as usual and also did all of the helper work for the trial. The BHs were very well prepared after having Ted drill us for the last few weeks. Everyone passed except for one dog who ran to mommy on the off leash portion of the heeling routine. The two stand out performances by Amy Elias & Lisa Strum and their Malinois Wile & Celeb were both acknowledged by the Judges Hartmut, Jani & Ted.

We had three OB 1s. High score went to Danielle Felder and her American Bulldog Duke. There were three IPO 1As, high score went to Tina Lamey and her Malinois Freda, she also received High in Trial; Protection with 98 V & Obedience

with 87 G. Our IPO 3s & FH 1 pulled, leaving High IPO 1 to Reegan Ray and her Boxer Winifred with 90-72-88=250 G.

“Another great event”

The Judges Dinner & Awards was at Charlies Stars & Stripes owned by club members Scott & Lauren Hendrix. About 50 people showed up for good times, excellent food, and best of all friends. Ted presented two DVG bronze performance medals for V rated IPO 3 at the club level to Cecil Terry and his Malinois Drogo 288 V & Joan Elliott and her GSD Enox 286 V congrats!!!

As always we would like to thank Hartmut Beckmann for his fair and precise judging, our club members for their continuing support, and all of the spectators for making this another really great event at Coast SchH Club.

Daren and Bullet

Paul and Justice

A beautiful fall day had arrived, with unseasonably warm temperatures for this time of year. It was the perfect day, with vibrant fall colors, calm winds and competitors standing ready. It was trial day, the day we have been waiting and preparing for all year.

The day started with laying of tracks. Our very own Paul Kononoff, sacrificed sleep and time to prepare his own dog, to unselfishly lay the FH track in the dark. With the use of headlights and cellphone, Paul went to work laying the track in the soft, dew layered grass. Judge Ann Dolan, prepared a map of the track and watched carefully to ensure the track was laid to her specifications. While the FH was aging, we turned our attention to the IPO 1 and TR 1-3 dogs. Steve and Chaos started the day with an outstanding performance, earning their TR 1 title. Paul and Justice were up next, with Justice putting

on a fine display of tracking in search of her IPO 1 title. Pam and Kairo also earned a TR 1. Lynn and Elvis followed suit with an impressive IPO 2 track, this team is fun to watch and we expect big things from them in the future. Everyone cheered for Ann and Raja, for a great effort on their TR 3. Now, for the FH.....I'm not sure if my nerves are higher when I trial, or when I watch Charlie trial. With that being said, Charlie and Walker reported in to the judge. Walker took off like the champ. This dog never stopped working, he really is hard core! It was like watching a home run! Nailed all the corners, articles, and took Charlie on a walk to always be remembered!! This team finished with an awesome FH! 93 :-) WOW!!

Then back to the club field for the "rest of the story"!

Charlie and Ice

Team Daren/Bullet and Steve/Indy took the field for their BH.

Daren and Bullet are a team to look for in the future! They nailed the BH with flying colors. Daren has done one amazing job with Bullet, a great team to sit back and watch, can't wait for their future! Daren has proved to be a dedicated club member and proud of all his accomplishments. Hats off to you Daren!

Steve and Indy also nailed their BH. Steve puts in endless hours training his dogs, and today it paid off for him with not only the BH, but the TR 1 as well. Steve not only had all our club members cheering him on, but his wife Deb stood by as his biggest supporter!! Honored to be a part of their lives!

Team Brandy/Lola and Charlie/Ice took the field next for their BH.

Brandy is a first time handler with her first dog so the nerves were high. This is one beautiful team, not only to watch, but to know. Brandy was cheered on by all her club members,

friends, her amazing husband Adam, their son Conner, and Charolette, their exchange student from Germany. Proud to call this family our dear friends!

Now for Charlie and Ice. I know, some of you may be confused. Charlie and Ice? What happened to Jacki and Ice? Well, due to some slight health/injury issues less than a month before the trial, I was having a hard time keeping up with her. Always being by my side, Charlie stepped in to help. Charlie worked hard and put in endless hours that last month. Before we knew it, the trial was here and the two of them were looking awesome together. They went out there and showed us what a BH is supposed to look like!! The future with Ice will be unstoppable!

They did a phenomenal job with their IPO 1! The obedience was a treat to watch, and Justice proved nothing would stop her in protection!! This team is ready for their IPO 2, can't wait till next year for them!! Paul is an inspiration and we are proud to have him and his family in our lives!

Lynn and Elvis put on an amazing show for all!! Lynn always has me in AWE with her dogs. She has a great relationship on and off the field. You can see them smile when they look at her, great sight to see! With their great performance in tracking, obedience, and protection, they achieved their IPO 2 and will be a team to watch next year for their IPO 3!! Proud to be your friend and BIG smiles to you Lynn!

Paul and Justice finished the day off with all the awards. High in Tracking, High in Obedience, High in Protection, High in Trial, and High HOT!! I couldn't be more proud of this team. Walker (Tyson Opavia Hof) has some huge bragging rights in

Brandy and Lola

Steve with Indy and Chaos

this trial :-)

Justice and Ice are both Walker daughters! All 3 of them gained big titles this trial, and will continue to do so in the future!! Thanks Walker, the journey with you has been incredible. Walker is now officially retired from the sport and will live out his life here at the farm! I want to send out a BIG Thank You to our judge Ann Dolan! She is amazing and loved by all! I have nothing but good things to say about her. A true friend, judge, competitor, ambassador to the sport, and always smiling!! Everybody loved and appreciated the helpful critiques! Thanks Ann! I also want to thank my sister and brother-in-law Lynn and Johnny!! They started the trial out with homemade cinnamon rolls and coffee. The lunch they provided was insanely good! They hustled all year for raffle prizes and had over 50 prizes to give away. They also had a spin wheel put together, every spin you would win a frisbee, clicker, dog handkerchief, or notepad, great fun for all. They set up

tents and had a professional area set up for lunch/raffles, and a place to gather for all!! A huge Thank You also goes out to my sister Jill. She comes to all of our trials and helps out. She took over the raffle this year and sold tickets to help out the club. She also helped with concessions and made things flow as it should!! I love you all and have no idea what I would do without you!! I can't leave out our Club members! You all put in hours of training and support, gathered raffle prizes, and helped out at the trial. Huge thanks to all of you for making this trial another success. If not trialing, you were there in support!! You all are part of our family and seriously looking forward to our next year together! Last but not least.....Charlie.....I cannot say enough about you!! You truly are amazing!! You helped EACH and every one that trialed this day throughout the year. You were out there every night for the last 3 weeks of the

trial helping someone get ready, you did a BH with Ice, you laid the IPO 2 & IPO 3 tracks, prepared the field, you did Helper work, and the icing on the cake, A 93 FH ON WALKER!!!! That has to be some kind of record to go on file! Talk about an ambassador to the sport!!

I love you with all my heart!!!

2016 has been a challenging year for WRAC and we have many people to say thank you to.....

You see we have been very lucky over the last 13 plus years to have been able to have our training field on a club members property. We not only had our training field there we has taken over the work shop for a club house and some of us would even move into the house on training weekends!!! In the spring of 2016 Gino decided it was time for him to downsize and move into town. Thank you Gino and Wanda, we all wish you the very best in your new house.

Next was our fall trial.....we had found a new field to hold our trial on. We had Akin coming to judge, had arranged tracking fields, had a tent up, all the food bought, everything was ready. Late the day before Akin calls saying that his flight was delayed and he was not going to make the connection flightthe airline could not get him to us before Sunday afternoon.....our trial had to be canceled!!!! To say we were disappointed is very much an understatement! Not only did we have everything ready we had our dogs ready! This is when Joanne started searching for a new trial date and a judge that could come. A HUGE THANK YOU goes to Ann Dolan for going above and beyond, even giving up sleep so that she could come and judge our trial....we can't thank you enough Ann! Now with a new trial date all the club members stepped up to get things ready again. A big thank you goes to Anne Readhead who went without sleep so she could pick Ann up at the airport and get her to the trial field, Jen Clark who made sure she had all the paper work done and Steve Clark for track laying and helper work.

Next we need to give a big thank you to HW VETERINARY NUTRITION INC. (makers of Hilary's Blend and Arion veterinary supplements) for their VERY generous sponsorship of our trial. I have to say, I personally use Hilary's Blend supplement and have found it to be an excellent product.

Our trial ended up being a beautiful day and all our dog teams were successful. We now have 4 new BH dogs, Leslie with Isaak and Onya, Heather and Metric, Brian and Penny (1st time BH handler). We have 2 new IPO 1 dogs Hilary and Bouncer (1st time IPO 1 handler) and Sue and Mac. We also have a new IPO 2 dog, Fred and Kapitan. Congratulations to all!!!

Akin, hopefully we can get you to come judge another trial in the near future!!

The leather used in the making of this premium leather harness is soft and feels already broken in. All double leather and sewn with our heavy commercial thread. The handle is sewn and riveted for extra security. Both the breast plate and the back plate are padded with dense felt. This is truly one of the nicest harnesses we have seen to date.

FENIX YOUNG DOG SLEEVE - \$129.99

Fenix young dog sleeve is designed as a multi-purpose starter or grip building sleeve. The Fenix can be worn as a sleeve, inside is an adjustable strap, allowing you to adjust the sleeve to fit your arm. The adjustment on the Fenix young dog sleeve is a Velcro adjustment. The 2 handles along with the strap on the inside lets you use it as a 2 or 3 handle bite wedge for targeting purposes. We recommend the Fenix young dog sleeve for 9 - 13 month old dog. Could be used with an older dog to improve bite quality or close bit targeting.
