

DVG's New Trial Entry System

What is Caniva?

- Caniva is on-line software to manage dog events.
- Caniva covers all types of events: conformation shows, agility, obedience, IPO, seminars, and others.
- Many different dog organizations use it.
- DVG has an arrangement with Caniva to use it for trial management, including entering a trial.

Must competitors use Caniva to enter a trial?

- For 2017 at least, competitors do not have to use Caniva to enter a trial. But, once a club uses Caniva to request a trial, the club must accept trial entries submitted through Caniva.
- We strongly recommend that competitors start using Caniva now. However, it will be required at some point, and it will save you time because it will keep your data, eliminating repetitive data entry.

Using Caniva to Enter a Trial

1. Consider registering on the Working Dog site

- You do not have to register on the working dog site to use Caniva to enter a trial, but if you do the site will keep your data and save you data entry time the next time you trial.
- Register at <https://www.working-dog.com/>
- Registration is free.

The screenshot shows the Working Dog website interface. At the top, there is a navigation bar with links for Livestreams, Caniva, Vouchers, and Magazin, along with a US flag. Below this is a search bar and social media icons for YouTube, Facebook, and Apple. A login form is visible with fields for E-mail and Password, and a Login button. A green navigation bar contains links for Homepage, Dogs, Members, Videos, Breeds, Album, Results service, Event Center, and Premium. The main content area features a photo of a man with two dogs, with a purple box listing benefits: exhibition results, fast uncomplicated log, statistics, and Videos. On the right, there is a registration form with a 'login with facebook' button, an 'or' separator, and a 'register with email now' section. The registration form includes fields for First name, Surname, and E-mail, and a 'register' button. A red arrow points to the 'register' button. Below the form, it says 'already registered' and '220.359 Members | 2.397.076 Dogs'. At the bottom, there is a note about terms and conditions and privacy policy.

2. Go to the DVG Caniva site

- Go to <https://dvg.caniva.com>
- You can also go to the main Caniva site, Caniva.com, but it lists many more trials and it may be harder to find the trial you want.
- Note that the following screen shots are mostly from the Caniva site. They look just slightly different than the DVG site.

Top of DVG Caniva homepage

The image shows the top portion of the DVG Caniva homepage. The background features a woman in athletic wear running on a path with a dog in the foreground. The website's navigation bar includes the Caniva logo and links for CALENDAR, ADD EVENT, MY EVENTS, LOGOUT, and EN with a flag icon. The main heading reads "find YOUR Events for YOU and your dog". Below this is a search form with three input fields: "name", "Sport" (a dropdown menu), and "breed" (a dropdown menu). A prominent orange "search" button is positioned below the form.

3. Search for the trial you want to enter

There are many ways to search Caniva.

1. Use the search function at the top of the page. If you don't have the exact name of the trial "search" may not find it.

2. Click on the IPO block on the bottom of the page.

This brings up a screen where you can upload a copy of your scorebook, membership card, and other required documents such as rabies certificates

14. Click on “browse files” and find your required documents

15. Upload your documents and save them

The screenshot shows a mobile application interface on an iPad. At the top, the status bar displays "iPad", signal strength, "5:40 PM", and "26%" battery. The app header shows the URL "dvg.caniva.com". Below the header, there is a list of event details: "closing date: 01.10.2017 00:00:00", "starting places: 72", "discipline: IPO, IPO FH, BH", "organizer: Commonwealth Working Dog Club, 11-2-29", "national group: LV 11 Amerika", "address:", "e-mail:", "home page: http://", and "breeds: all breeds".

A navigation bar below the details contains several tabs: "choose trial type", "dog data", "data dog handler", "other information", and "Documents". The "Documents" tab is currently selected. On the right side of the screen, there are vertical social media links for "facebook" and "working-dog".

The main content area features a heading: "Upload Scorebook, performance certificates, entitlements, qualifications and further documents". Below this heading is an "upload" button. A large dashed rectangular box contains a "browse files" button. At the bottom of the screen, there are three buttons: "cancel", "Back to event", and "save".

Two red arrows are overlaid on the image: one points to the "upload" button, and the other points to the "save" button.

The next screen will confirm that you uploaded your documents successfully
