Trial Date \_\_\_\_\_

Judge: \_\_\_\_\_

**Attention: Trial chairman**

Before giving the judge book to the assigned judge, the information at the top of the rating sheets is to be fully and completely filled out (printed or typed).

Please check the following:

- Has the dog reached the requisite age for the degree entered?
- Has a proper and complete trial entry and valid scorebook been submitted for the dog entered?

A quick, smooth and error free trial is only guaranteed if the trial chairman has carefully filled out and checked all trial documents.

Along with the assigned judge, the trial chairman is responsible for the accurate observance of the organization rules.

**Trial Judge:**

**The Judge's book is to be saved for one year.**

To make a booklet, after filling in your information, you should print a single copy of page A, with page B printed on the reverse side. Make multiple copies of page B, (one for each IGP entry in the trial), printing on both sides. Collate the copies front to back with page A being the front and back covers. When sheets are stapled along the center line, they will create a booklet for the judge's use.
