A club official (board member) must sign this form, and it must be sent to the DVG Office. The club official is to verify that the AKC papers list the same information as in this application and that this is the correct dog. The supplied data will be used to issue the scorebook and for registration. Pedigrees issued by an organization that is not a VDH member are not acceptable. In such cases, only give the dog's name on the application, without registration numbers or breed designation. If the pedigree is questionable as VDH papers, please send a copy to the DVG office for examination. (Use registered mail for this process)
